Dear High School Students and Parents,

As a college professor and high school English teacher, I have extremely strong feelings concerning your child's reading program throughout his/her years at Gatewood. Often we change the books from one year to the next to correspond to the "College Students." Each selection on the 2017-2018 reading list has been chosen with the utmost care to increase one's learning experience and to build a firm foundation for the college years.

Attached are the reading selections for the next school year. The first two books in each grade level are the summer reading selections with the exception of the seniors' honors' students who have three summer books. I have some extra copies of each of these books in my classroom. These books will be issued and checked out to students on a "first-come" basis.

Do not hesitate to email me if you have any questions. I, as well as the other language arts teachers, am looking forward to working with your child. Hopefully, these selections will continue to enhance our students' reading and comprehension skills as we strive to prepare them for future endeavors.
Kindest regards,

Martha Thornton Sammons
Chairman, English Dept.

**High School Summer Reading
for students entering
Grades 9th – 12th**
