The Lake Oconee Food & Wine Festival supports academic enrichment and children's programs implemented by other organizations in the lake area: Greene & Putnam County Schools, Eatonton-Putnam Arts Foundation, Oconee Performing Arts Society, Ferst Foundation, and Young Life. How do you think the Lake Oconee Food & Wine Festival organization benefits by supporting these programs?

Are there other ways that Greene and Putnam County Schools, Lake Oconee Food & Wine Festival and these other organizations could cross-collaborate in supporting each other to promote academics, spiritual development and the arts?

Please provide one suggestion that Your School could utilize to improve education for current students at your school.
