Please answer each questions. Each answer Should be a minimum of 300 words.

1. What personal experience have you had related to your chosen major? *(300 word limit)*
2. Give an example of a time when you had to initiate a new process or a new method for solving a problem. Alternatively, describe an original idea that you have developed. *(300 word limit)*
3. Evaluate a significant experince, achievement, risk you have taken, or ethical dilemma you have faced and its impact on you. *(300 word limit) (300 word limit)*

Long Essay Questions

Directions:

Please answer both questions. Each answer must be a minimum of 350 words and a maximum of 500 words.

4. At Novelis, we encourage five key behaviors companywide in order to drive success and build a culture of accountability. We call these five behaviors “Novelis Cultural Beliefs.” Looking at our cultural beliefs, pick one of the five beliefs that best describes you and share an experience or situation where you put this belief into action. How will practicing this belief in the future help you succeed?

Do It Right

I safely deliver quality, cost-effective solutions to my customers.

Say Anything

I listen actively, speak candidly and challenge respectfully.

Own It!

I take accountability to deliver the Focused 5.

Get Focused

I demonstrate discipline and follow through to accelerate flawless execution.

Win Together

I constantly reach out across boundaries to ensure Novelis succeeds.

Long Essay Questions

Directions:

Please answer both questions. Each answer must be a minimum of 350 words and a maximum of 500 words.

- 5. First, why do you want to pursue this particular field of study? Second, how are you going to use your STEM education to make the world better?**

Please ensure you submit your high school transcript with this application. Applications unaccompanied by transcripts will not be reviewed.
