

Gatewood 2024-2025 K3 Potty Policy

K3 students must be potty trained. Students should be sent to school in underwear (no diapers or pull-ups), know how to wipe his/herself, pull pants up and down, flush the toilet and wash hands. Assistance will be provided in certain circumstances as they are learning how to use the restroom in a school setting. Accidents will sometimes happen and we will assist with cleaning up and changing of clothes; however, if the accident is severe a parent will be called to come get the child or assist with their cleanup. Please do not send your child in belts, or difficult buttons on their pants to try to keep accidents down. Elastic waistbands are very helpful in this stage of life.

If your child continues to have frequent accidents, two within the same week, your child will be sent home for five school days to continue to work on training before they can return to school and this will continue until potty training is fully achieved.
